				Laurie was sat down in an upstairs corridor area of City Hall. Was not causing a scene on arrival and appeared calm. She was upset as reported she has been trying to get appointment and paperwork stamped by city hall and they continue to not assist her. Reports this has been going on		

for months. She apparently assists people in property tax abatement/reductions and needed papers stamped.

Spoke with Celia from City Hall who is Deputy Corporation Counsel for city? She said this is ongoing issue with Laurie and that personnel from NPD are aware. No allegations of any threats made but stated that Celia needed to leave now. Wanted her trespassed but allowed at City Hall if she has an approved appointment. Reported the City have had a lot of contact with Laurie via email and that there are pending lawsuits with the City.

Lauries was asked to leave. She left willingly but stressed her frustration indicating that the City do not communicate with her or assist her. She was informed she is being trespassed for one year and is not allowed at City Hall unless with an appointment. She was advised that she could face arrest from Criminal Trespass if she attends City Hall without an appointment. She understood.

No offences alleged or apparent
